Katherine Wallace Spence

I would like to enter the 4 Exhibits, being Exhibits 1, 2, 3 and 4 as set forth in the Bill of Complaint and also I would like to enter an Exhibit 5, which is a 1906 Plat, certified, of Harry Hickmans property which shows that a William Frazier owned these particular tracts of land at that time and also I would like to enter an Exhibit 6, the Last Will and Testament of Dr. Lloyd T. Duvall, who is the mentioned doctor that that Mary E. Frazier, previous owner, was mentioned in the Will as working for him.

STATEMENT BY MR. GASTLEY:

Mary E. Frazier worked for Dr. Duvall and he had apparently given her the property when he died in 1874 and in his Will he mentions Mary Frazier who is the same Mary Frazier who had the property in her deed, Exhibit 4, it mentions that she had received the property from Dr. Duvall and also I would note to the Court that in the conclusion paragraph her name is mentioned and also the Executors in the estate were to make deeds to who were entitled to them but apparently that has not been done.
